

Response Guidelines When Disasters Are Forecast or Warning Alerts Are Issued

1. When Disaster Warning Level is Issued by Toyota City

You can receive these alerts by registering for "**Emergency email Toyota**".

**Note: City Toyota Children's Development Center is located in Nishiyama-cho, City Toyota, which falls within the Umetsubodai Junior High School District.*

When "Warning Level 3: Evacuation of Elderly, etc. or higher is issued for the Umetsubodai Junior High School District:

- **The clinic will be closed.** (If the alert is lifted by 6:00 AM, medical services will be provided as normal) .
- *This policy also applies when "Warning Level 4: Evacuation Order" or "Warning Level 5: Emergency Ensure Safety" is issued .*
- *Even if the Japan Meteorological Agency (JMA) issues weather warnings (e.g., Level 3 Heavy Rain Warning), City Toyota may not necessarily issue the corresponding warning information (Warning Level 3: Evacuation of Elderly, etc) at the same time .*

2. When a Warning is Issued for Western Toyota City by the Japan Meteorological Agency (JMA)

1) When a "Storm Warning" is issued for the areas mentioned above:

- **The clinic will be closed.** (If the warning is lifted by 6:00 AM, medical services will be provided. If it is not lifted by 6:00 AM, the clinic will remain closed for the entire day) .
- *The same response applies if any of the following warnings are issued for the areas above: "Storm Emergency Warning," "Snowstorm Warning," "Snowstorm Emergency Warning," or "Heavy Snow Emergency Warning."*

2) When a "Level 3 Heavy Rain Warning," "Level 3 Warning(Flood)," or "Level 3 Warning (Landslide)" is issued for the areas mentioned above:

- **In principle, the clinic will operate as usual.** However, if conditions change too rapidly for warnings to keep up, or if the clinic determines there is an immediate danger, services may be suspended . If you are unsure, please call us before coming to the clinic (Contact: 0565-32-8985) .

3) When a Level 4 or higher Warning is issued:

- **The clinic will be closed.** (If the warning is lifted by 6:00 AM, medical services will be provided) .

3. When an Earthquake with a Seismic Intensity of 5 lower or more occurs

- **The clinic will be closed.**
